

WISH LIST

Jeffrey Free Luers is getting out of prison!

Help him by donating money or crucially needed supplies to get him settled into life on the outside as quickly as possible. Following his release in December 2009, Jeff will be beginning classes in landscape architecture, maintaining a job, and spending time with friends.

In addition, one of the things first on Jeff's to-do list is to get back out to the forest, so camping supplies are urgently needed (thanks to those of you who already purchased some of the items!)
